Dear Sir,

LETTER OF APPRECIATION

On behalf of the Christian children in the above captioned school I write to extend our sincere thanks and profound gratitude for sponsoring Bible knowledge class in the school. This is a good move in complimenting Government's efforts through the Ministry of Basic and Secondary Education. This will go a long way in helping us to learn the basic Knowledge and practice of our religion. It has come at the right time when the Christian children of this noble school were thinking of all possible means of acquiring Bible knowledge as there was no other means or option

We therefore express to you our appreciation for your benevolent gesture which is another step forward in a positive direction for all the Christians in the School. Our school administration is also very helpful and instrumental in giving us moral support and encouragement by providing us a conducive learning environment. This has indeed given us the zeal to be going to the Bible knowledge classes at all times.

Special thanks to our Bible knowledge teacher is kind men, who cares and guide all of us at all the time during the lessons. Thank you for your kindness and commitment.

Finally on behalf of all the Christian children, I seize this opportunity to wish you a merry Christmas and a happy new year in advance. as we will soon celebrate this great day of the birth of Jesus Christ. We want to wish you, your family and friends a merry Christmas and a happy new year

Yours faithfully

.....
